Hi Blair,

Sorry for not responding sooner, I have been out of the office for a couple of weeks.

We did send out the CIP and have received very little community feedback. Mike and I have a few meetings in Columbia Falls the week of April 17 and I'll solicit any final input from the community. After that, I'll compile what I have and send it to you. I don't expect a lot of edits.

Thanks for touching base.

Hi Robert,

It's been a while since we've communicated, so I thought I'd check in on any updates you may have for the CFAC draft CIP? Hope all is well.

Best,

Blair
